Verse (Back to [A]) 2

Somewhere I have read that if you're feeling blue
A little Magic does the Trick

(And) Resting in bed might help you fight the flu,
Or of a temperature, but if your cure is not that sure

Don't forget - you're not dead yet
 And as long as your heart wants to tick,
 There's always that sure, guaranteed little cure all
 Little Magic does the trick - yes, it does
 Just a little magic does the...

Verse (A) B.

Now if you are still feeling so darned depressed
 A little Magic does the trick
 You'll find that it will always operate the best
 And it's not that tough - we have enough of all that stuff
 It's always, you'll see - a supreme paragon
 Little Magic does the trick (yes, it does)
 Just a little Magic does the trick
